### Curriculum development

Certification for Behavioral Health Case Managers  
 Certification for Behavioral Health Case Management Mentors

Working with Allegheny County, I led the development of semester-long Continuing Education courses to certify behavioral health case managers and case management mentors. These courses were required of all case managers at community mental health agencies holding county contracts to provide case management services.

## University Undergraduate Certificate in Case Management (joint with Psychology)

Working with Irene Frieze (Department of Psychology, Director of Undergraduate Education) and Keith Caldwell (BASW Director), I developed a two-semester University Certificate for Case Management for Psychology and Social Work majors.

## Professional Trainings developed and delivered

Evaluation for Teen-Pregnancy Impact Programs. Lead Faculty.  
Los Altos, California, Palo Alto, California, Billings Montana. 2-5 day trainings conducted from 1989-1991.

Research Methods for Eating Disorders: Western Psychiatric Institute and Clinic, Binge Eating Disorder Research Group. Lead faculty. Six-week research seminar, 1993.

NIH Summer Institute on the Design and Development of Community-Based Participatory Research in Health. Faculty member. July 9-13, 2007, Gleacher Center, University of Chicago.
