2003-2005

Wilkinsburg Community Ministry
Wilkinsburg, PA

- Assisted in managing day-to-day operations of agency.
- Worked on budget formation, program development, program planning, grant writing, and outcome measurement.
- Coordinated special projects.
- Lead efforts to integrate use of Program Logic Model throughout agency.
- Managed and oversaw HIPAA compliance.
- Participated in outreach and marketing activities.

ACTING EXECUTIVE DIRECTOR
April 2002-July 2002

Wilkinsburg Community Ministry
Wilkinsburg, PA

- Led agency through transition between two permanent executive directors.
- Responsible for all aspects of agency including personnel, budget, fund raising, program oversight, and marketing.

SOCIAL WORKER
1999-2005

Wilkinsburg Community Ministry
Wilkinsburg, PA

- Established and ran a care management, information and referral, and social service program for seniors, particularly those who are homebound.
- Assessed psychosocial needs, recommended programs and solutions to problems, and worked toward meeting goals set by clients. Counseled clients to resolve problems and meet emotional needs. Advocated in complex systems to help clients meet needs.
- Managed Meals on Wheels Program, including county contract and budget. Developed knowledge of PDA Waiver, Promise, SAMS, and Allegheny County MPI.
- Worked with and served on community-wide committees to advance issues related to aging and senior citizens in Wilkinsburg, such as the Wilkinsburg Community Health Advisory Council.
- Ran volunteer orientation and training, including HIPAA compliance.

SENIOR SOCIAL WORKER
1991-1999

LAS/St. John Specialty Care Center
Mars, PA

- Assessed psychosocial needs of residents from admission through stay. Developed care plans, discharge plans and behavioral plans. Counseled families and residents to resolve problems and emotional needs. Counseled clients and families about end of life processes and decision making.
- Facilitated a monthly Alzheimer's and dementia family support group.
- Involved in development and planning of Alzheimer's Program, including different levels of care and program expansion. Led corporate effort to write Alzheimer's Program Manual.
- Helped develop behavioral modification and restraint reduction programs.
- Prepared and reviewed policies as a member of Internal Review Board, Best Practice Committee, Resident Rights Committee, and Ethics Committee.
- Educated church and community groups, families, and staff members on topics such as Alzheimer's Disease, changing family roles, caregiving, restraints, resident rights, accessing resources, and advanced directives.
- Knowledgeable about MDS, PPS, insurance plans, Medicare, Medicaid, and Department of Health regulations and Joint Commission standards for nursing and personal care homes.

RESEARCHER

1994-1996

LAS/Aging Research and Education Center

Mars, PA

- Researched issues of caregiver burden, stress, and depression in Alzheimer's Disease.
- Educated professionals, paraprofessionals and families about caregiver issues.
