

Curriculum Vitae

Quinton DeJuan Cotton, PhD, MSSA

School of Social Work
University of Pittsburgh
4200 5th Ave., Suite 2217
Pittsburgh, PA 15260
quinton_@pitt.edu

Education

Year	Institution/Program	Degree/Description
2022-present	University of Minnesota School of Public Health	Postdoctoral training in mixed methods, intervention and implementation science, and advanced behavioral intervention design - Mentors: Joseph Gaugler, PhD, Tetyana Shippee, PhD
2022	University of Wisconsin-Madison School of Medicine and Public Health <i>Madison, WI</i>	Doctor of Philosophy in Clinical Investigation Dissertation Title: "African American Dementia Caregivers' Experiences with Decision Making: A Grounded Theory Study" - Committee: Andrea Gilmore-Bykovskyi, PhD, RN [Co-Chair], Amy Kind, MD, PhD [Co-Chair], Barbara Bowers, PhD, RN, Betty Chewning, PhD, Lauren Bishop, PhD, MSW
2006	Case Western Reserve University <i>Cleveland, OH</i>	Master of Science in Social Administration, Concentration: Community Development (Accredited MSW degree)
2004	Marquette University <i>Milwaukee, WI</i>	Bachelor of Arts Sociology and Social Welfare and Justice
2002	Milwaukee Area Health Education Center <i>Milwaukee, WI</i>	Public health training program for undergraduate students

Honors and Recognitions

2023-2024	Advanced Behavioral Intervention Design Fellowship
2022-2024	Robert L. Kane Fellowship
2021	Outstanding Reviewer by Editorial Board Member Award of <i>The Gerontologist</i>
2010	Community Connector Award, Planning Council for Health and Human Services
2004	Marquette University , Student Affairs Outstanding Leadership in Social & Arts Programming Award

Research Experience

Year	Role	Description
2024- Present	<u>Assistant Professor</u> University of Pittsburgh School of Social Work, Pittsburgh, PA	Examine social position and clinical and community service utilization experiences, and investigate mechanisms underpinning care interventions
2022-2024	<u>Postdoctoral Research Associate</u> School of Public Health at the University of Minnesota-Twin Cities , Minneapolis, MN	Investigated dementia caregiver experiences and designed and tested caregiver interventions.

2020-2022	<u>Research Assistant</u> Center for Health Disparities Research University of Wisconsin School of Medicine and Public Health, Madison, WI	Examined service engagement of dementia caregivers in under-resourced areas.
2019-2020	<u>Research Assistant</u> School of Nursing at the University of Wisconsin-Madison, Madison, WI Funding: K76AG060005 (PI: Gilmore-Bykovskyi)	Supported planning efforts for community-based Brain Health project.
2018-2020	<u>Research Assistant</u> Center for Women's Health Research University of Wisconsin-Madison, Madison, WI Funding: R25GM083252 (PI: Carnes)	Examined stress and crisis among dementia caregivers.
2018-2019	<u>Research Collaborator</u> Department of Medicine University of Wisconsin School of Medicine and Public Health, Madison, WI Funding: R01MD010243 (PI: Kind)	Examined preventers of re-hospitalization among health and social care providers and dementia caregivers.
2006-2011	<u>Community Researcher</u> Planning Council for Health and Human Services Inc. (IMPACT), <i>Milwaukee, WI</i>	Examined a range of topics (fatherhood, foster care, supportive housing).
2003-2004	<u>Ronald E. McNair Post-Baccalaureate Achievement Program Awardee</u> Marquette University, Milwaukee, WI	Research Title: <i>Resilient Full-Time African-American Single Fathers: Role Models and Their Impact on Parenting Decisions.</i> Mentor: Roberta Coles, PhD

Professional Contributions

Year	Role	Focus
2020-2021	<u>Clinic Manager</u> Mental Health America of Wisconsin, <i>Milwaukee, WI</i>	Clinical Administration
2018-Present	<u>Managing Member</u> QDC Research and Policy Consulting Group LLC, Milwaukee, WI	Macro Practice/ Administrative
2016	<u>Equity and Diversity Project Assistant</u> University of Wisconsin School of Medicine and Public Health, <i>Madison, WI</i>	Administrative
2011-2016	<u>Program Officer</u> University of Wisconsin School of Medicine at Public Health, <i>Madison, WI</i>	Macro Practice/ Administrative
2006-2011	<u>Associate Planner</u> Planning Council for Health and Human Services, Inc. (IMPACT), <i>Milwaukee, WI</i>	Macro Practice
2005-2006	<u>Program Coordinator</u> Glenville Development Corporation, <i>Cleveland, OH</i>	Macro Practice
2005-2006	<u>Graduate Field Placement</u> Policy Matters Ohio, Cleveland, OH	Macro Practice
2004-2005	<u>Graduate Field Placement</u> Council for Economic Opportunities, <i>Cleveland, OH</i>	Clinical
2003-2004	<u>Undergraduate Field Placement</u> Interfaith Conference of Greater Milwaukee, <i>Milwaukee, WI</i>	Macro Practice
2002	<u>Undergraduate Field Placement</u> City of Milwaukee Health Department (Lead Abatement Unit), <i>Milwaukee, WI</i>	Macro Practice

2001-2004	<u>Lead Tele-Counseling Supervisor</u> Marquette University, Office of Undergraduate Admissions, <i>Milwaukee, WI</i>	Administrative
1999-2000	<u>Trainee</u> Northwestern Mutual Life Insurance, Milwaukee, WI	Administrative

Social Work Practice Contributions

Year	Description	Population/Area
2021-2022	<u>Milwaukee County, Office of Equity</u> : Provide coaching and consultative services (strategic planning, program/policy review, community engagement, and training).	Health Equity
2020-Present	<u>MKE Black Grassroots Network for Health Equity</u> : Oversee network's COVID-19 and social determinants of health strategy targeting Black American communities, design and evaluate health promotion interventions, and build capacity of network members.	Public Policy, Health Equity, and Health Promotion
2020-present	<u>Community Resilience Initiative</u> : Design health promotion intervention for community agencies working to mitigate COVID-19 among African Americans and assist in the development of an equity action plan.	COVID-19 and Health Equity
2019	<u>Wisconsin State Youth Choir</u> : Established a scholarship for African American scholars transitioning to college.	Education Funding
2011-2016	<u>Wisconsin Partnership Program</u> : As a program officer, served as lead staff for effort to eliminate racial disparities in birth outcomes (\$15 million). Managed grants in Community-Academic Partnership Fund portfolio (\$12 million). Piloted new grant program to assist hospitals and public health departments meet federal and state requirements for population health improvement strategies (\$1 million).	Philanthropy and Public Health Interventions
2010-2011	<u>Milwaukee Lifecourse Initiative for Health Families</u> . Managed community action planning process resulting in the creation of a maternal and child health collaborative.	Maternal and Child Health
2010	<u>Penfield's Children Center</u> : Document and assist with the development of an evaluation model for programs that support the healthy development for children with special needs.	Child Development
2010	<u>Racine Kenosha Community Action Agency</u> : Conducted key informant interviews and focus groups and analyzed qualitative data as part of two-county needs assessment.	Community Assessment
2010	<u>Rosalie Manor, Community-based Abstinence Education Project</u> : Administered survey to public school students participating in abstinence education program.	Education Support
2010	<u>Alzheimer's Association of Southeastern Wisconsin</u> . Document deliberations of Challenging Behaviors Taskforce, leading to the development of community-wide approach to care for persons with dementia exhibiting challenging behaviors.	Older Adults
2009-2010	<u>Community Relations Social Development Commission</u> : Provide planning and technical assistance to the Bridges of Hope Job Opportunities Committee.	Economic Opportunities
2009-2010	<u>Greater Milwaukee Foundation, Mosaic Partnership Program</u> : Assisted with the design and evaluation of a cultural program aimed at improving relationships and social capital between community leaders from diverse racial and ethnic backgrounds.	Social Capital and Race Relations
2009-2010	<u>Greater Milwaukee Foundation, Brighter Future Fund</u> : Examined foster care system in Milwaukee County to improve policies and practices. Designed and conducted focus groups with caseworkers, foster parents, and biological parents, documented key informant interviews, and analyzed qualitative data.	Foster Care
2008-2010	<u>Faye McBeath Foundation</u> : Convened planning workgroup of foundation grantees to more effectively coordinate services between the library system and organizations that serve persons experiencing vision loss.	Vision Services
2008-2010	<u>City of Milwaukee, Milwaukee Fatherhood Initiative</u> : Conducted key informant interviews and focus groups and analyzed qualitative data to inform for program improvement.	Parenting

2009	<u>Milwaukee Healthcare Partnership, Free and Community Clinic Collaborative:</u> Examined services offered by free and community clinics in Milwaukee County to determine strategies for improving health care access.	Health Care Access
2008	<u>2-1-1@IMPACT:</u> Examined call data of the 2-1-1 social service hotline for Milwaukee County.	Community Assessment
2008	<u>Medical College of Wisconsin, Violence Prevention Initiative, Healthier Wisconsin Partnership Program:</u> Gathered practitioner input for the development of a public health approach to violence prevention and reduction for the Consortium on Community and Public Health. Designed and conducted focus groups and analyzed qualitative data.	Violence Prevention
2008	<u>Milwaukee Public Schools, Safe Schools Healthy Students Initiative:</u> Provided facilitation to an advisory group seeking to reduce suspensions and expulsion, facilitated that adoption of district-wide positive behavioral instructional supports.	Education Support
2008	<u>Wisconsin Department of Health Services:</u> Facilitate strategic planning session with steering committee designing a statewide approach for substance abuse prevention among youth.	ATODA
2007-2010	<u>Fighting Back, Inc., Southeastern Regional Prevention Center:</u> Facilitated planning process for eight county consortium of alcohol, tobacco, and other drug abuse (ATODA) prevention organizations to develop regional capacity and address substance-use related policies.	ATODA
2007	<u>Making Connections Milwaukee, Annie E. Casey Foundation:</u> Examined resident perspectives of the impact of program activities on family and community life. Designed survey and focus group to document the experiences of workgroup of resident leaders.	Civic Leadership
2007	<u>Housing Authority of the City of Milwaukee, Hillside Terrace Family Resource Center:</u> Documented youth perceptions of the Hillside neighborhood, law enforcement, exposure to mentorship and involvement in at-risk activities. Designed and conducted focus groups and analyzed qualitative data.	Youth Development
2006-2008	<u>Milwaukee County Department of Aging, Milwaukee Long-Term Care Council:</u> Provided facilitation and strategic planning assistance to statutorily mandated group responsible for monitoring long-term care programs in the county.	Older Adults and Disabilities
2006-2007	<u>Milwaukee County, Division of Behavioral Health:</u> Examined issues related to the development of supportive housing for persons with behavioral health disorders. Designed and conducted key informant interviews and analyzed qualitative data.	Supportive Housing and Mental Health

Funded Research

P30AG066613 (PI: Flood)	2023-2024
NIH National Institute on Aging (NIA)	
University of Minnesota Life Course Center for the Demography and Economics of Aging	
Project: The goal of this project is to document experiences of racism among black older adults across the lifecourse to inform development of culturally specific measures of racism.	
Role:	Pilot Project PI
Effort:	.10 FTE
Amount:	\$68,196
R01AG075890 (PI: Gaugler)	2022-2027
NIH National Institute on Aging (NIA)	
Project: The goal of this project is to evaluate the effectiveness of a volunteer training program to inform strategies for reducing dementia care recipient loneliness and caregiver stress.	
Role:	Postdoctoral Analyst
Effort:	.20 FTE
Amount:	\$3,207,550
R01AG049692 (PI: Gaugler, Gitlin)	2016-2023
NIH National Institute on Aging (NIA)	
Project: The goal of this project is to conduct a trial to evaluate family outcomes of older adults participating in adult day services	

program to increase understanding on how to embed caregiver supports into community-based long-term care services.

Role: Postdoctoral Analyst

Effort: .20 FTE

Amount: \$3,981,004

R33AG069767 (PI: Griffin) 2020-2025

NIH National Institute on Aging (NIA)

Project: The goal of this project is to conduct a mixed method study to characterize caregiver definition and appraisal of lucid episodes to inform clinical practice and dementia education.

Role: Postdoctoral Analyst

Effort: .05 FTE

Amount: \$1,485,281

R36AG072033 (PI: Cotton) 2021-2023

NIH National Institute on Aging (NIA)

Project: The goal of this project is to conduct a prospective grounded theory study to document perspectives and conditions surrounding crisis to generate a culturally-tailored crisis intervention model targeting African American dementia caregivers.

Role: Principal Investigator

Effort: 1.0 FTE

Amount: \$125,367

PI: Halinka Malcoe 2020-2021

Zilber Family Foundation

Project: The goal of this project is to document the experiences of a network of African American grassroots community and faith organizations' efforts to build a local network and increase COVID-19 testing in collaboration with local school of public health.

Role: Co-Principal Investigator

Effort: .20 FTE

Amount: \$100,000

R25GM083252 (PI: Carnes) 2018-2020

NIH National Institute of General Medical Sciences, Initiative for Maximizing Student Development (IMSD)

Project: The goal of this project is to provide mentored research training program for biomedical and behavioral research.

Role: Trainee and Project PI

Effort: 1.0 FTE

Amount: \$28,000 annual stipend

UL1TR000427 & R25GM083252 (PI: Drezner) 2016-2018

NIH National Center for Advancing Translational Sciences

Project: The goal of this project is to provide mentored research training program for biomedical and behavioral research.

Role: Trainee and Project PI

Effort: 1.0 FTE

Amount: \$23,376 annual stipend

Community Practice Funded Efforts

Year	Funding	Funder	Description	Population/Area
2023-2026	\$403,000	Community Catalyst	Role: Project Co-Director Lead community partnership addressing health system accountability and lead resident leadership development.	Public Policy, Grassroots Organizing
2023-2024	\$50,000	Wisconsin Health Literacy Services	Role: Project Co-Director Scan local ecosystem to determine gaps in vaccine response and convene stakeholders to take action on opportunities identified.	Health Literacy
2023-2024	\$75,000	Exact Sciences	Role: Project Co-Director Lead colorectal cancer awareness campaign and convene local stakeholders to develop preliminary	Cancer

			community screening strategy.	
2023-2024	\$175,000	Milwaukee County Behavioral Health Services	Role: Project Co-Director Oversee intergenerational health promotion intervention utilizing sports and wellness practices.	Physical Activity, Mental Health
2022-2023	\$150,000	Wisconsin Department of Health Services	Role: Project Co-Director Convened vaccine outreach grantees and mapped local ecosystem.	Health Literacy
2022-2024	\$305,000	Zilber Family Foundation	Role: Project Director Lead grassroots group through the planning and implementation of a health equity strategy.	Grassroots Organizing and Capacity Building
