

Jaime M. Booth, PhD MSW

Professional Experience

Assistant Professor, **2014 - present**
School of Social Work
University of Pittsburgh
2229 Cathedral of Learning
Pittsburgh, PA 15260
Ph: 412-624-8216
Email: jmbooth@pitt.edu

Education and Training

University of Pittsburgh **2016 – 2021**
Pittsburgh, PA
National Institutes of Health: National Institute of Drug Abuse
K01 Career Development Award

University of Michigan **2018**
Ann Arbor, MI
ICPSR Summer Program in Advanced Quantitative Methods

- Hierarchical Linear Modeling
- Analyzing Intensive Longitudinal Data: A Guide to Dairy, Experience Sampling and Ecological Momentary Assessment
- Network Analysis: Statistical Approaches

Arizona State University, **Ph.D.** **2010 - 2014**
Phoenix, AZ
Doctor of Philosophy in Social Work
Dissertation Title: *The Mediating effects of formal and informal community organization on psychological distress in disadvantaged neighborhoods: A focus on Latinos living in Chicago*

Arizona State University, **M.S.W.** **2008 - 2010**
Phoenix, AZ
Masters of Social Work
Thesis Title: *Exploration of perception of neighborhood safety and its association with levels of mental health in Arizona adults*

Northern Arizona University **B.S./B.A** **2000 - 2004**
Flagstaff, AZ
Bachelors of Science: Social Economics
Bachelors of Arts: International Affairs

Research Interests

Neighborhood effects on health disparities, use of innovative technology to measure neighborhood dynamics, the impact of immigration and acculturation on adolescent health outcomes, research methods

Booth, J. (2019, April). *Understanding youths' exposure to neighborhood stressors in real time: A youth-engaged pilot test of EMA methods and measures*. The Social Work Board of Visitors, University of Pittsburgh.

Booth, J. (2018, November). *Using new technology to understand the role of neighborhood activity spaces in adolescent substance use*. Biobehavioral Oncology Program in UPMC Hillman Cancer Center Annual Tobacco Research Retreat.

Research Grants

Funded Research Grants: Current

Neighborhood Risk and Protection for Substance Use among Low-Income Adolescents (K01) PI. National Institute of Drug Abuse & National Institute of Child Health and Human Development, (\$836,699).

NIH Loan Repayment Program. National Institute of Minority Health and Health Disparities, (\$55,700).

We are strong! Leveraging Information Technology to Empower Marginalized Communities. Co-PI. University of Pittsburgh Social Science Initiative, (\$28,000).

Barriers to Fair Housing Choice in the City of Pittsburgh. Co- PI. The City of Pittsburgh, Council on Human Relations, (\$39,000).

Funded Research Contracts: Current

Evaluation of the Hot Metal Bridge Project. Co-PI. University of Pittsburgh, School of Arts and Sciences.

Grants under Review

From Data Literacy to Data Stewardship: Pathways for Computational Thinking and Civic Engagement for Urban Youth. Co-PI. National Science Foundation: STEM + Computing K-12 Education (STEM+C) Program, (\$898,912). Co-PIs Rosta Farzan, Mary Ohmer & Crowley, Kevin.

Brain MoVES: Brain health, Mobile sensing, Vascular function, and Environment in Sickle Cell disease. Co-I. National Heart, Lung, and Blood Institute (NHLBI) (\$1,511,183), Co-PIs Charles Jonassaint, Erico Novelli, Co-Is Andrea Rosso, Carissa Low, Chaeryon Kang.

Get Safe: Social Networks and Activity Spaces among African American Assault-Injured Youth. Co-PI. CTSI's Research Initiative for Special Populations Study, University of Pittsburgh, (\$30,000). Co-PI Alison Culyba.

Funded Grants: Completed

Exploring the Role of Ethnic Identity in Latino Youths' Experience of Acculturation Stress and its Health Outcomes in an Emerging Latino Community. PI. Center on Race and Social Problems, (\$9,775).

Examining the Educational and Vocational Outcomes of an NGO in Ghana. PI. Hewlett International Grant, (\$1,500).

Quantifying the Impact of Social Ties on Health Disparities in Disadvantaged Neighborhoods Using Social Media Streams (2015). Co-PI. University of Pittsburgh Research Development Fund, (\$15,274).

Tigermountian Foundation, Community Garden Evaluation (2011- 2013). Co-PI. Graduate Student Association Research Grant, (\$1500).

Research Experience
