

Primary Health Network, Pennsylvania's largest community health center, is seeking a full-time LCSW to work at our brand new state of the art facility located in Clarion, PA. Clarion Behavioral Health is tentative to open March 21, 2013 so we are looking to full-fill the position immediately. This candidate will work cooperatively with our psychiatrist, nursing, and support staff. Competitive salary commensurate with experience and yearly bonus potential based on productivity. Full benefit package to include: Malpractice coverage, CME time off and allowance, Eligibility for Federal Loan Repayment. Vacation/Sick/Holiday time off, Health/Retirement & Disability. Please send resume to Shelley Stefanak at mstefanak@primary-health.net or call 724-704-8886 ext. 401. You may visit our website at www.primary-health.net for more information about Primary Health Network.
